COLLECTIONS

The question is often asked; why are there two collections at weekend?

The 1st Collection is for the upkeep of the parish priest. Parishioners should be aware that the total amount of the 1st Collection is not retained by Father Joseph but sent to the Archdiocese which in turn pays Father Joseph a stipend to cover his personal living expenses, car expenses etc. The amount of the stipend is the same for every priest throughout the archdiocese. If our 1st collection exceeds the amount of the stipend the surplus is used to supplement those parishes whose collections are below what a priest needs to live; many small country parishes fall into this category.

The 2nd Collection is for the upkeep of the parish buildings and church expenses including our loan repayments and other items such as candles, alter breads and altar wine , electricity etc. There is a weekly target which we need to reach in order to meet these expenses and the percentage of that target is advertised in the newsletter each week. Clearly we fall short of this target which is why our fundraising is vital for our survival.

Father Joseph is aware that many people are struggling financially in these difficult economic times and expresses his appreciation to you all for your continued support of the 2nd collection and the parish's fund raising efforts.

DIRECT DEBIT: If you wish to give to the second collection by direct debit please ask Father Joseph for a form and return completed form to Father or Deacon John.
